Class of 2002 Prophecy

It's the year 2027, and **Freddy Mora** has been elected president with the winning slogan, "hey kid, vote for me!" Yet vice president **Jenniffer Jimenez** was impeached for the scandalous plagiarizing of a Valentine's Day card in the fourth grade, which she gave to her sweetheart **Gary John**. During the trial, judge **Chaleya Miranda** heard the opposing arguments of the infamous defense attorney **Cesar Montesinos** and prosecutor **Walkibell Javier**. It seems that this time, Mr. Montesinos' charm and convincing rambling couldn't sway the judge.

The new vice president **Silvia Rodriguez** has made a shocking proposal to invest four billion dollars in building the desperately needed high school for the Lawrence community. She presented her proposal to congress, which all happen to be liberal democrats: **Itzel Lopez, Adela Marquez, Merlin Gonzalez, Christopher Hernandez, Jorge Garib and Shawнна Larocque**. These past graduates of L.H.S. worked together to convince the rest of their fellow democrats to fund the project called "project at last" to build a new school.

Sonniette Rivera, journalist for playboy magazine, wrote an inspiring article on the upcoming project. The article helped motivate other graduates to help raise money.

One multibillionaire, **Melody Brito**, who invented and patented the chicken safety can opener whose motto is "don't let your can get the best of you," donated 200 million.

President and C.E.O. of Vertically Challenged Inc., an organization to help the little people, **Olatungie Ivan Lightfoot Taylor**, donated 500 million dollars.

The pop sensation group, Cloud 9, made up of **Karina Mejia, Judy To, Jaimie Velez**, settled their differences and invited **Jenna Calderon** in order to start a new tour, with proceeds to go directly to "project at last."

Partners **Sawrys Paulino, Brett Sweeney, Fray Rodriguez, Angel Boria** and another friend of theirs, started a worldwide flower shop called NRP flowers with bases in Columbia. So that their business would be accepted in our community and to get them higher in status NRP promised to plant fresher and greener grass in the Lawrence Community.

Finally, it came time to begin construction of the new high school. The construction team made up of **Richard Gomez, Richard Irizarry, Ricardo Monegro, Andres Maldonado, Joely Henriquez, Massiel Hidalgo, Janel Tejada, Alejandro Moreta and Ramon Garcia** all worked vigorously for forty days and forty nights. Their construction hats were donated by **Nathan Bradshaw** who has become founder of Fatheads, where one size fits EVERYBODY.

In September, of 2027, the school is ready for its opening. Principal **Vanessa Suarez** and assistant principle **Jessica Nadeau**, who everyone looks up to, will introduce the new administration to the upcoming students. Head of the Art department is **Maria DeLaCruz** and **Jorge Marrero**.

Desiree Acosta, Konnie Berroa, Domingo Gonzales, Jose Leonardo, Ruth Malena, and Janette Rosario take on the role as the new Assistant Principal of our school. Academy Administrators **Iris Valdez, Sarais Sanchez, Phuong Ton, Stephanie Valentin, Stephanie Quezada, Quyen Nguyen, Carolina Ortiz, Maria Polanco, Elianny Matias, Albania Mejia, and Daniel Kanellos** will be helping the Assistant Principals maintain order and make sure that the new students will get the education they deserve. Helping the Academy Administrators are the Facilitators **Malvin Ayala, Dharian Fernandez, Elaine Javier, Greci Manon, Julian Perez, Jose Rosado, Ileny Soto, Tien Phan, Lisbeth Castillo, Yarimel Ortiz, Maryladie Gonzales, Liz Lopez, and Eileen Vidal**.

Heading the science Department is chemistry teacher, **Heisney Moscat**, who will never forget his most influential teacher, Mrs. Paglieroni.

Leading the math department is no other than **Algenis Baez**, who is being treated by **Marina Gonzalez** at the "hooked on Britney" mental institution. Al loves his calculus and teaching it too!

Finally at the head of the English department is **Varn Seang**, who teaches by day and lets out her animal instincts at night at a local strip joint. These are the new leaders of LHS.

Roaming the new halls of LHS, **Alfran Polanco, Luis Rivera, Frieda Deth** and polygamist **Pavel Payano**, 75 children can be found. Pavel the mayor of Lawrence is married to **Lidia Maldonado**, a highly sought after lawyer, cause she always gets her way. He also married to **Jennifer Ramirez** the owner of Tripolis bakery, **Jessica Malaba**, who STILL believes that she is the African Princess, Gospel singer **Amy Ellis**, who always carries a toon, **Ashley Lombardo**, who finally realizes that cheerleading isn't a sport, **Yocasta Bastista** who finally got her papers, **Kunthea Kum** who still wants to pinch Sponge Bob's cheeks, **Rosangela Aviles** is still not speaking out, **Kimberly Bonet** is the only wife to cook up the meals everyone enjoys, and **Cynthia Rwabuhinga**, ... that say it all.

The nanny for Pavel's children, **Heidi Gomez**, is rendered speechless after swallowing a spoon. She has to be immediately taken to Lawrence General Hospital to under go surgery by Doctor **Edgar Garcia**.

Meanwhile also waiting in the emergency room is **Jennilee DeHoyos** who was shot 7 times by officer **Jonathan Colon**, while trying to break into Molly Shannon AKA Superstar's house. But no worry attending the operation is a special task force compiled of surgeons **Jose Rojas, Mayralee Gonzalez, Gloria Tambwe** and nurses **Susan Martini, Yasmira Luna and Wilfredo Fantauzzi**.

The mayor and school committee members, **Evelyn Castillo, Dahiana Fuentes, Paukpol Mao, Juan Williams, Patrick Rice and Rafael Hidalgo** hired **Anthony Leonor**, as superintendent, who happened to be the first man to give birth... to a preaching baby who's first words were "Sinners Repent!" (**Rafael Rosario** was the first man to give birth to a turntable).

Yenny Santos, the national siren for the United States bomb squad has given warning to the former Eagle Tribune now called "El Bochinche", that is run and headed by **Hamlet Cabrera**. Leading him is a talented team of reporters consisting of **Kenia Pimentel, Elba Rizzo, Aleish Esteves, Stephanie Santana, Carlos Vargas, Raysa Hidalgo, Aydely Garcia**, have rededicated an entire life to scoop.

According to the newspaper there is great turmoil in congress. It seems that congressman **Johan Lopez** has asked a question that has produced a quarrel in both, congress and the House Representatives. It seems like no one can agree on how many licks it takes to get to a center of a... this question has divided the nation east and west and congressmen and women **Juan Astacio, Susana Rivera, Carlos Santiago, Henry Villa, Andreina Casalino, Noemi Jerez, Irene Martinez** and **Diana Vargas** feel that civil war is inevitable.

Janitorial engineer, **Joseph Peralta** could not understand the significance of such a question. He and his cleaning staff, **Heany Peguero, Erik Ramirez, Ricardo Otero, Jean Rosario, Yaranis Pomaes, Ana Barahona, Gregory Trepanier, Bryan Porro, Ramon Bejaran, Norieta Santiago, Vanessa Checo**, and **Marta Chinea** decided to clean out congress. They received financial backing from California resident **Yissy Perez's** multibillion-dollar business "Share and Care". Joe and his followers were arrested by FBI agents, **Osvaldo Morales, Luis Reyes, Nicole Picard, Jose Rojas, Leonardo Marizan**, and **William Espinal** after being caught "fixing the plumbing" at the capitol.

Evidence was found by Time reporter **Alexa Pina** that linked Joe's revolt to western business. (This ignited fewer within east coast to begin the second Civil War.)

President Mora has sided with the east and is struggling to keep the union intact. The Mayor of Lawrence has asked for volunteers to join the fight. The Diaz and Rodriguez families, **Carlos Diaz, Dilia Diaz, Elizabeth Diaz, Jeannette Diaz, Josue Diaz, Juan Diaz, Massiel Diaz, Ronald Diaz, Ana Rodriguez, Jorge Rolando Rodriguez Olivo, Jose Rodriguez, Justo Rodriguez, Lizmarie Rodriguez, Marisol Rodriguez**, and **Nicaury Rodriguez** promptly answered the call.

This war wasn't any ordinary war, US Military has found a new form of warfare. This warfare consists of bombs displayed filled with men in thongs. When the bomb explodes the men are released unharmed and ready to jiggle. Among the troops that were deployed were LHS graduates **Eric Frias, Clinton Downs, Joshua Torres, Anthony Lopez, Wilkins Victor, Jaxander Fricas, Jose Dominguez** and **Hector Sanchez**.

Throughout this war, BC graduate **Kelvin Tejada** and **Martin Rojas** were on a quest looking for Big Pun. They reached a secluded island in the middle of the Pacific and found a village where **Tupac** and **Biggy Small** lived amongst avid fans, **Canniel Gomez, Soribel Garcia, Glenni Garcia, Cynthia Gomez, Gerson Gomez, and Jarlin Gomez. Jasmine Gomez, Ruben Gomez, and Eliud Gonnell**. Kelvin aware of the crisis between East and West decided to ask them to assist in uniting the Nation.

When the Nation realized that **Tupac** and **Biggie** were alive and had put their differences aside. Everyone realized that it doesn't really matter "How many licks it takes to get to the center of a...". Order was restored to save the Earth from all the pollution spread because of the war. They made a group consisting of **Margaret White, Gregory Wall, Nitza Vega, Juan Salazar, Keila Peralta, and Emmanuel Casado** who filtered the land and water of war produced pollutions.

The years following the war were a boom of great talent, which was put on display by former LHS students. **Marcel Morel, Vanessa Mercado**, and **Jose Ramos** starred in the reinvented television series, "Three's Company" was a hit in the Academy Awards winning 3 Oscars. Several Students were nominated in many categories. For the Best Action Film **Miguel Cruz, Dennis Santiago, Phuoc Thach, Pedro Brito, and Gary John** were nominated and the winner was **Phuoc** for his starring role in, "Rage Against the Desk," costarring **Ahmed Rashad**. For his performance in "Lets Watch A Video" **Mario Arruda** has won an Oscar for the Best Comedic Film out of nominees **Vanessa Alejandro, Jesus Collado, Jose Pepin, and Abby Ortiz**. For the Best Dramatic Performance **Lissette Del Rios, Sherilee Acosta, Kirsy Rodriguez, Xiomara Gonzalez, Edward Dejesus** were nominated but Ms. **Sherilee** won for her role in, "Not Again". The lifetime achievement award was presented to **Yacell Santana** for her Dramatic Performance in, "If the Shoe Fits?" costarring in the movie were **Mercedes Estevez** and **Mirna Lemus**.

Famous fashion designer **Andreina Viera** has developed her own edible lingerie with 5 different flavors and has put them on display at the Hollywood Runway Show. Models **Melissa Alfonso, Fernando Grant, Janitta Alvarez, Yanicel Paulino, Eurides Furtado, Kenny Baez, Erica Munoz, Victor Hernandez, Kelly Polanco, Yuridia Cepeda, Ginette Reyes, Julio Tejada, Sabrina Gonzalez, Claudia DelaCruz, Yanira Ruiz, Noemi Martinez, and Efrain Montanez** all strutted their size 0 bodies each earning thousands of dollars. Photographers **Jonathan Morillo** and **Meaghan Kountze** each took pictures for *Vogue* and *Glamour* Magazine.

The fashion police, **Edder Mora, Anabel Polanco** and **Nicole Soucie** were out side of the event interviewing those who were fashionable and those not so fashionable artists.

Peacemaker and Ambassadors from Cuba **Brenda Lee Candelario, Emmanuel Castro**, and **Roberto Castro** were able to bring peace and harmony in the Middle East. They along with **Glenny Ortiz, Priscilla Acosta, Gioconda Arias, Mayralee Gonzalez, Raymond Burgos, Viceth San, Ruz Sosa, Danissa Lember, Johanny Pena**, and **Johanny Cruz** were able to help Palestine and Israel reach a compromise.

In doing so the Olympic Games were brought to Palisralia (Part of the compromise was that they change their name). United Nation security was tight. General **Jessey Berube** was the headman in charge. **Liem Le, Michael Le**, and **Tan Le** represented the U.S. tennis team yet they won no medal. **Esia Johnson** won several gold medals in the 500-meter spoon race and in the three-leg long jump. Pitcher **Victor Joaquin** pitched an outstanding game representing his home country the Dominican Republic. Action figures of **Melissa Gonzalez**, Past Gold medallist in the Lollipop Lick Event were selling like crazy.

There were several Lancers who got caught up in the "system," **Judy Nunez** became indicted for misappropriating funds for her male Jiggalo, **Manuel Madera**; while **Cynthia Vega** became a fugitive on the run for her indecent exposure in the church.

Peter Giuffre was kidnapped after exiting his job at Canobic Lake. He was found in the trunk of his car **Raul**, proving his bumper sticker was wrong, "Fat People Don't Get Kidnapped". And now we know, they do.

And that will conclude our prophecy, and we're sorry for those who were left out.... OH, HOLD UP! **Lucianne Zayas** we didn't forget you, but sorry we we're mad tired. Peace Love and Joy to all, and remember breaking the law is Not Really Positive!
